

ADVANCE QUESTIONS TO SOUTH AFRICA – ADD.2

NORWAY

- Which steps are taken to further strengthen the implementation of the social and economic rights safeguarded by the Bill of Rights of the South African Constitution? When will South African ratify the International Convention on Economic, Social and Cultural Rights?
- What measures will South Africa take to combat gender based discrimination and violence, and to improve the human rights situation for women in the country?
- Norway welcomes the establishment of the task force on violence and discrimination against individuals on the grounds of their sexual orientation or gender identity. When is the task force expected to deliver its report and what are the expected outcomes if this process?
