

ADVANCE QUESTIONS TO EGYPT – ADD.4

SLOVENIA

- With regard to reported increase in trafficking in persons in Egypt, Slovenia would like to ask what steps has Egypt taken to prevent forced marriage of girls and women, to prevent trafficking in persons for domestic work and to prevent trafficking in humans for the purpose of organ removal?
- In the wake of the ongoing institutional reform, Slovenia would like to ask Egypt what steps have been taken to guarantee fair representation of women, religious minorities and young people in the Parliament?
- Given numerous reports on detentions of peaceful protesters, political opposition members, civil society activists and women human rights defenders, Slovenia would like to ask what steps has Egypt taken to ensure the full respect of freedom of peaceful assembly and the right to participate in public life?
