- What measures are put in place to ensure the protection of women and girls in conflict-affected areas, as well as to address the proliferation of weapons, particularly of small arms and light weapons (SALWs), as it heightens the risk of gender-based violence?
- Has Sudan any future plans to ratify the Arms Trade Treaty, the Convention on Cluster Munitions and the Treaty on the Prohibition of Nuclear Weapons?
- What steps Sudan has taken to address the high incidence of grave violations involving children, including abductions for forced labour, killing and maiming of children and sexual violence against them?
